Brett-on-the-High-Seas

Brettanomyceswhat?

This is a classic Belgian beer brewed which has been brewed with a funky wild yeast strain called Brettanomyces. Wild yeast strains and their characteristics are usually unwanted, whereas they are appreciated and encouraged with this style of beer. 5% (330ml bottle)

Christmas Cheer **Vintages: 2015 & 2013**

Grandma's Xmas pudding in a bottle

This beer is a rich full bodied dark ale with all the delicious ingredients of our grandmother's pudding. A 5th generation recipe from Cork, Ireland has been used. The alcohol content will please whilst the aroma and flavour will certainly surprise you. 5% (330ml bottle) (Yr 2015) (Yr 2013)

Chateau Sour **Supreme Champion IBC 2014**

A wood-aged beer with sour overtone

Redoak's wood-aged Chateau Sour, a Belgian style sour beer with a medium body and reddish colour from the special red malts. The beer exhibits gentle malty flavour with distinctive flavours of plum, cherry and raisins with little to no hop bitterness, and a refreshing sour dry finish. 5% (330ml bottle)

Aged Chateau Saison

Light, sweet yet tart!

Redoak's Saison is a sour style beer with a delightful malt sweetness and a hint of banana and apricots which finishes with a tart dryness to the palate. This full bodied beer with its warming alcohol is one to be enjoyed. 6.5% (330ml bottle)

Chateau Blonde

A surprising and refreshing beer

Redoak's Chateau Blonde is a Belgian white beer and exhibits very strong flavour profiles of sweet maltiness which open up to light stone fruits and caramels on the palate. This beer has a big presence of phenolics with a perfume of musk and flowers, whilst finishing quite dry. 7.9% (330ml bottle)

Aged Lambic Blackberry

A wild, tart and dry style

A traditional style of Belgian beer fermented with wild, naturally occurring, yeast. This complex beer has a unique tartness with an elusive sweetness and a prominent berry characteristic, finishing with a crisp dry mouth feel. 5% (250ml bottle)

Weizen Dopple Bock

Luxurious beer to be enjoyed & savoured!

A German style wheat beer with a powerful fruit and spice aroma. The creamy mouth feel of banana and spices on the palate, creates a warming feel of alcohol and follows a long complex finish. Warm it up to experience the flavours. Like a liqueur digest if, it is to be enjoyed savoured. 9% (330ml bottle)

Aged Saint Nicholas

Named after the Patron Saint of Beer Drinkers

To honour our beer drinkers over the years David has based it on his favourite Belgian Triple Ales. Using a very old traditional Belgian Trappist yeast. It has a subtle phenolic aroma, balanced malt sweetness and subtle bitterness with fruity notes such as passionfruit. 9% (330ml bottle)

Ice Breaker **Gold Eurostar 2014, Champion QLD 2014**

An 'Eised German Lager' During Conditioning this beer has been frozen, allowing the Brewer to then remove the Eis Block ie: removing a large portion of the water content. Leaving behind a rich bold beer with layers of complexity, from caramel to toffee and chocolate. A finely balanced bitterness and sweetness. 14% (330ml bottle)

Special Reserve

'Grange Hermitage of beer'

Wood-aged barley wine that has had 3 fermentations and matured on various oak for years adding uniqueness and complexity to the beer. Toffee and caramel on the nose, fruity notes, treacle and spice, toffee bitterness, big roasty, smoky finish with peppery hops. *Supreme Champion, International Beer Challenge, UK Sept '13* 12% (250ml bottle)

Redoak's has a selection of bottle, aged or vintage release beers and ciders which are truly unique. Some of these beers and ciders have been fermented and conditioned for many years or conditioned in specially chosen oak barrels which add further complexity and character to the beer and cider style. See our limited release beer menu.

All of our beers are made with no additives, preservatives or added sugars and are from 100% grain.

We brew using many traditional brewing techniques from around the world, some dating back centuries and we have created our own beer styles and brewing methods.
