

BEER APPRECIATION

REDOAK BEER CLASS

“All beer lovers should do it”

Gain knowledge while eating, drinking and having fun! Enjoy a 2.5 hour informative four course degustation meal served with six matching beers while learning more about beer.

You will learn how to appreciate the subtle differences in beers and understand the essential qualities, styles, aromas and flavours of individual beers.

During our Beer Appreciation Class, we will:

- ◆ experience first hand the pleasure of matching beer and food perfectly thereby developing your palate and appreciation of boutique premium beer and fine food
- ◆ learn how to better enjoy your beer by being aware of its style, quality, glassware, environment and what it is eaten with
- ◆ learn about various beer styles from around the world
- ◆ look at a brief history of beer around the world and in Australia
- ◆ explore different brewing techniques
- ◆ understand the brewing process and what makes a beer
- ◆ most importantly, have fun!

Come along by yourself, with a friend, bring work mates or invite clients. \$75pp
